NOTA DEL EDITOR

Siempre resulta ventajoso y confortable tener a mano herramientas que faciliten el trabajo que realizamos. En el mundo del intelecto y la academia la disponibilidad de tales instrumentos es, además de útil, estimulante en el proceso de investigación; en este caso una de esas herramientas resulta ser el índice bibliográfico. Con el objetivo de facilitar las tareas de nuestros lectores, es que este número de la **Revista-/Review** lo dedicamos íntegramente al Indice de nuestros primeros 10 volúmenes. Sin embargo, esta empresa no hubiera sido posible sin la decidida colaboración de **Arturo Maldonado Díaz,** quien tras largas y tediosas horas, preparó el trabajo que ahora presentamos.

EDITOR'S NOTE

It is very comfortable to have the tools that we need in our jobs. In the academic and intellectual world, the availability of such instruments is also a great stimulus to the process of research. One of these tools is the bibliographical index. With this in mind, we have dedicated this volume of **Revista/Review** totally to the Index of our first 10 volumes. This has been possible due to the great dedication and enthusiasm of **Mr. Arturo Maldonado Díaz,** who prepared the material which we now present to our readers.

As a new copyright law went into effect on January 1, 1978, *Revista/ Review Interamericana* provides the following policy statements:
Manuscript Acceptance Policy. While it is our policy to require the assignment of copyright on most constributions, it is understood that, in return for publication, the journal has the sole and exclusive first publication rights to the contribution and the continuing right, without limit, to include the contribution as part of any reprinting of the issue and/ or volume of the journal in which the contribution first appeared by any means and in any format, including computer assisted storage and readout, in which the issue and/ or volume may be reproduced.
Copying Beyond Fair Use. The code on the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made beyond those permitted by Sections 1077 or 108 of the U.S. Copyright Law provided that copies are made only for personal or internal use, or for the personal or internal use of specific clients and provided that the copier pay the stated per-copy fee through the Copyright Clearance Center Inc. To request permission for other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale, kindly write to the publisher. If no code appears on the first page of an article, permission to reprint may be obtained only by writing the publisher.
